Contact:

Keith W. Cox

559-824-0624

Please note: Due to potential winter storm activity, a lower route (**Hwy 245**) may become the primary drive. This route, like the Generals Highway has few facilities, so please **gas up before leaving Kingsburg.**

I'll have more detailed maps with stopping/meeting points for either drive. Be prepared to drive some wonderfully curvy roads on either run!
